

# Displayer Portable Product Display

## Step 1

Remove Displayer from case. Place upright on the floor with the hinges facing up (A).

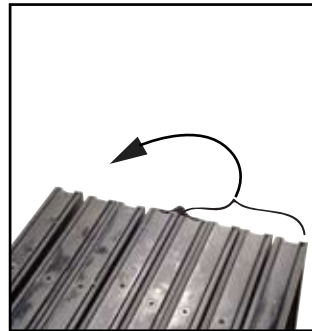

## Step 4

Unfold to desired configuration and slide headers into place.

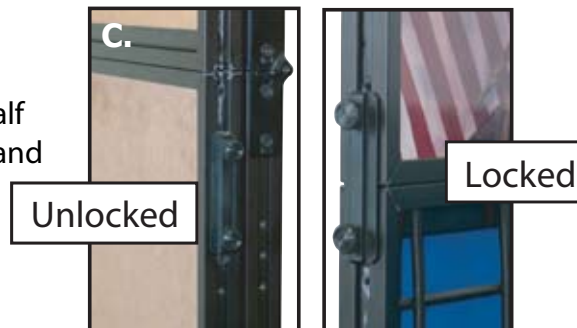

## Step 2

Flip the top half on top of the bottom half, then slide frame locks into place.

## Step 3

Lock Hinges:  
Slide Frame Locks up so that half of the lock is on the top panel and half is on the bottom panel.

*\*Shown with optional graphic panels, slatwall insert, gridwall insert, exterior shelves, waterfall hooks, lights, and triangular podium with gridwall insert.*
